Logan Education Association
Citizen For Education Award

Award Criteria:

Each year, the Logan Education Association awards a Citizen for Education Award. This award is presented at the Educators Hall of Fame reception during American Education Week. Nominees for this award are **not** required to be employees of the Logan-Hocking School District or members of the Logan Education Association. The nominee must have made significant contributions to the educational system and to the students of the Logan-Hocking Local School District. ***Nominations must be made by school employees***. The Association will not accept outside nominations. The Hall of Fame Committee will meet to select the winner of this award. Nomination will be denied to anyone not meeting all the requirements.
