

# Logan Education Association Educators Hall of Fame

## Award Criteria:

Nominees for the Educators Hall of Fame must:

- possess a teaching certificate or its equivalent;
- have been employed in the Logan or Hocking County schools for at least eight (8) years;
- have demonstrated good leadership and community involvement; and
- have shown dedication, enthusiasm and caring for individual students.

Administrators may be nominated for this award, but they must have served at least eight (8) years in the educational field and have made significant contributions to education while employed by this school system.

The record of the nominee must be so outstanding that there is no question as to his/her qualifying for the LEA Hall of Fame. Each candidate's nomination will be reviewed by the Educators Hall of Fame Committee and the award recipient will be chosen by this committee.
