ARTICLE X TEACHER EVALUATIONS

Each teacher will be evaluated according to Ohio Revised Code and the Ohio Teacher Evaluation Framework, which is aligned with the Ohio Standards for the Teaching Profession adopted under state law.

The Ohio Teacher Evaluation System 2.0 is a performance assessment that is formed by review of Teacher Performance (Formal Holistic Observation, Formal Focused Observation, Walkthroughs, and Professional Growth or Improvement Plan) and High Quality Student Data.

Definition of Terms

Professional Growth Plan

Professional Growth Plans are developed annually to help identify areas of professional development. Plans must be clear and comprehensive, aligned to the most recent evaluation results, and aligned to any district or building improvement plans. Teachers are accountable for developing and completing the plan and should use it as a starting point for the school year.

Improvement Plan

The purpose of an Improvement Plan is to identify specific deficiencies in performance and foster growth through professional development and targeted support. Teachers with a final Holistic Rating of Ineffective are placed on an Improvement Plan that is developed by the evaluator.

Formal Holistic Observation

A formal observation consists of an evaluator visiting during one class period to observe a class lesson for a minimum of 30 minutes. The evaluator documents specific information related to teaching and learning, and aligned to the Ohio Teacher Evaluation 2.0 Rubric.

Classroom Walkthroughs

A classroom walkthrough is an informal observation of less than 30 minutes with an emphasis on identified focus area(s) (based on the OTES 2.0 Rubric) when applicable.

Formal Focused Observation

The second formal observation will be a focused one that may occur later in the school year. A Formal Focused Observation is at least 30 minutes in length and emphasizes the focus area(s) identified after the earlier Formal Holistic Observation.

High-Quality Student Data

Choosing and using high-quality student data (HQSD) to guide instructional decisions and meet student learning needs is key in making sound instructional decisions for students. The teacher evaluation will use at least two measures of district-determined high-quality student data to provide evidence of student learning attributable to the teacher being evaluated.

Ohio's state tests provide value-added data. When value-added data is available for a teacher it must be one of the sources of high-quality student data used in the teacher's evaluation.

HQSD may be used as evidence in any component of the evaluation where applicable.

Pre-Conference

The evaluator and teacher discuss what the evaluator will observe during the classroom visit. The teacher shares important information about the characteristics of the learners and learning environment as well as the lesson objectives and how student learning will be assessed. The pre-conference gives the teacher an opportunity to provide evidence of student learning that may not be visible during the observations.

Post Conference/Final Summative Conference

The post-conference is designed to support teacher reflection. It also provides feedback to the teacher on the observed lesson. The post-conference discussion between the evaluator and teacher should focus on identified area(s) of support. The teacher may bring additional evidence from the observed lesson for the evaluator to consider before determining a Final Holistic Rating.

- A. This provision applies to the evaluation of any bargaining unit member who spends at least fifty percent (50%) of the time providing content-related student instruction.
 1. The objective of the evaluation program is to improve the teaching performance, to stimulate professional growth, and to provide an accurate reflection of a teacher's job performance. The Teacher Performance Rating will be determined by using the Ohio Evaluation System (OhioES).
 2. The Ohio Teacher Evaluation System 2.0 is a performance assessment that is formed by review of Teacher Performance (Formal Holistic Observation, Formal Focused Observation, Walkthroughs, and Professional Growth or Improvement Plan) and High Quality Student Data.
 3. During walkthroughs and the Formal Focused Observation, evaluators are not limited to collecting evidence on the identified focus area(s). Evaluators must ensure they have sufficient evidence to provide a Final Holistic Rating at the end of the evaluation cycle.

4. The observation and evaluation of a teacher shall be within his/her scope of employment. The effectiveness rating will be based upon the use of the Ohio Standards for the Teaching Profession.
5. The Teacher Performance Evaluation Rubric describes teacher performance in three organizational areas:
 - Instructional Planning;
 - Instruction and Assessment; and
 - Professionalism.

It also looks at teacher performance through six (6) domains of teacher practice:

- Focus for Learning;
 - Knowledge of Students;
 - Lesson Delivery;
 - Classroom Environment;
 - Assessment of Student Learning; and
 - Professional Responsibilities.
6. The Formal Focused Observation and Formal Holistic Observation shall occur within 2-5 working days after evaluator's written notification. Formal observations shall not be two days in a row and feedback shall occur before a second formal observation. Mutual agreements may be made to alter this process.
 7. All evaluations and observations shall be reduced to writing via the Ohio Evaluation System (OhioES).
 8. Written feedback from the Formal Focused Observation shall be submitted to the teacher being formally observed via the Ohio Evaluation System (OhioES) within ten (10) working days following said observation. Upon receipt of the Formal Focused Observation, a Conference shall be held at the request of the evaluator or teacher within ten (10) working days.
 9. Written feedback from the Formal Holistic Observation shall be submitted to the teacher being formally observed via the Ohio Evaluation System (OhioES) within ten (10) working days following said observation. The evaluator will schedule a Final Summative Conference before May 10.
 10. Each full-cycle evaluation will result in a Final Holistic Rating of "Accomplished," "Skilled," "Developing," or "Ineffective." Based on the Final Holistic Rating each teacher must develop and/or comply with a Professional Growth Plan or Improvement Plan in accordance with the State Board OTES 2.0 Framework. The Board shall allocate financial resources to support professional development in compliance with State law and the evaluation framework.

11. Development of Professional Development Plans is as follows:
 - Teachers who receive a Final Holistic Rating of “Accomplished” shall develop a self-directed Professional Growth Plan.
 - Teachers who receive a Final Holistic Rating of “Skilled” shall jointly develop a Professional Growth Plan with the evaluator.
 - Teachers who receive a Final Holistic Rating of “Developing” shall be guided by the evaluator in developing their Professional Growth Plan.
12. Teachers who receive a Final Holistic Rating of “Ineffective” will be required to implement an Improvement Plan developed by the evaluator.
13. For those teachers who are being considered for nonrenewal, on probationary contracts, and/or received a Final Holistic Rating of “Ineffective,” three formal observations (two Formal Holistic Observations, one Formal Focused) and two Walkthroughs must be conducted. No later than November 1, a copy of the teacher’s first formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than February 1, a copy of the written observation for the teacher’s second formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than May 1, a copy of the written observation for the teacher’s third formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than May 10, a Final Summative-Conference shall be held at which the teacher will be given a copy of the Final Holistic Evaluation.
14. For those teachers who have received a Final Holistic rating of “Developing” on their most recent evaluation or who are new to the district and do not have a Final Holistic Rating from the previous year, two formal observations (Formal Focused Observation, Formal Holistic Observation) and two Walkthroughs must be conducted. No later than February 1, a copy of the written observation for the first formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than May 1, a copy of the written observation for the teacher’s second formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than May 10, a Final Summative Conference shall be held at which the teacher will be given a copy of the Final Holistic Evaluation.
15. For those teachers who have received a teacher performance rating of “Skilled” on their most recent evaluation, one evaluation pursuant to this policy may be conducted once every two years provided the teacher submits a self-directed Professional Growth Plan to the evaluator, and the evaluator determines the teacher is making progress on that plan. Less frequent evaluations must include a minimum of one observation and one conference.
16. For those teachers who have received a teacher performance rating of “Accomplished” on their most recent evaluation, one evaluation pursuant to this policy may be once every three years provided the teacher submits a self-directed Professional Growth Plan to the evaluator, and the evaluator determines the teacher is making progress on that plan. Less

frequent evaluations must include a minimum of one observation and one conference. A teacher with a rating of “Accomplished” on their most recent evaluation may select their evaluator. Selection shall occur no later than Friday of the first week of school.

17. All evaluations must be dated and signed via the Ohio Evaluation System (OhioES) by the teacher and administrator no later than five (5) working days following the conference, and before they are made a part of the permanent file.
 18. If the teacher objects to the Final Holistic Evaluation with respect to its contents, the teacher shall have the right to attach his/her comments and signature indicating receipt of the evaluation. The signature indicates that the teacher has read the form, but does not necessarily agree with each or any of the comments contained therein.
 19. When the Board or any of its administrative agents deem that a teacher's performance may be unsatisfactory and it is the intention to recommend involuntary transfer, non-renewal or termination; the appropriate administrator shall notify such teacher of his/her intent in writing. Such notification shall set forth the specific areas of alleged unsatisfactory performance, and indicate what specific guidance, assistance, or professional direction was given.
 20. No teacher shall be observed within one (1) working day before or after a holiday or break within the school calendar.
 21. Observations and evaluations shall be conducted only by a credentialed building principal or other appropriate credentialed district administrator.
- B. This provision applies to the evaluation of bargaining unit members who spend less than 50% of the time providing content-related student instruction.
1. The objective of the evaluation program is to improve the teaching performance, to stimulate professional growth, and to provide an accurate reflection of a teacher’s job performance.
 2. The evaluation of a teacher shall be within his/her scope of employment and based on the Ohio Teaching Standards per content area when available and/or objectives and responsibilities listed on the job description.
 3. Each member must develop and/or comply with a Professional Growth Plan or Improvement Plan.
 4. All formal evaluations and observations shall be reduced to writing. Teachers shall be observed within 2-5 working days after evaluator’s written notification. Observations shall not be two days in a row and feedback shall occur before a second observation. Mutual agreements may be made to alter this process.
 5. A copy of the written formal observation shall be submitted to the teacher being formally observed within ten (10) working days following said observation. Upon receipt of the

formal observation, the teacher shall have the right to a follow-up conference to be held within ten (10) working days.

6. If the teacher objects to the formal written observation with respect to its contents, the teacher shall have the right to attach his/her comments and signature indicating receipt of the form. Prefacing the signature line for the teacher shall be the statement that this signature indicates that the teacher has read the form, but does not necessarily agree with each or any of the comments contained herein.
7. For those teachers who are being considered for non-renewal, on probationary contracts, and/or received an “Ineffective” rating on their most recent evaluation, three formal observations and two walkthroughs must be conducted. No later than November 1, a copy of the teacher’s first formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than February 1, a copy of the written observation for the teacher’s second formal observation shall be given to the teacher and a post-observation conference shall be held between the teacher and the evaluator. No later than May 1, a copy of the written observation for the teacher’s third formal observation shall be given to the teacher. No later than May 10, a Final Evaluation Conference shall be held at which the teacher will be given a copy of the Final Evaluation.
8. For those teachers who have received a teacher performance rating comparable to “Skilled” on their most recent evaluation, one evaluation may be conducted once every two years provided the teacher submits a Professional Growth Plan to the evaluator, and the evaluator determines the teacher is making progress on that plan. Less frequent evaluations must include one observation.
9. For those teachers who have received a teacher performance rating comparable to “Accomplished” on their most recent evaluation, one evaluation conducted pursuant to this policy may be conducted once every three years provided the teacher submits a self-directed Professional Growth Plan to the evaluator, and the evaluator determines the teacher is making progress on that plan. Less frequent evaluations must include one observation. A teacher with a rating of “Accomplished” on their most recent evaluation may select their evaluator. Selection shall occur no later than Friday of the first week of school.
10. Observations and evaluations shall be conducted only by a credentialed building principal or other appropriate credentialed district administrator.

**ARTICLE XI
PROCEDURE FOR NON-RENEWAL
OF A TEACHER'S LIMITED CONTRACT**

1. Reasons for non-renewal of a teacher's contract shall be based upon the evaluation of the individual's total job performance. Reasons for non-renewal of a teacher's contract shall be given in writing to the teacher by the Superintendent as to why the Superintendent intends to

recommend the teacher's contract not be renewed. After the first two years, reasons for non-renewal shall be for just cause.

2. A teacher who has been so advised shall be granted, upon request, a conference with the Superintendent. The conference shall be held within ten (10) school days of request. A decision in writing shall be rendered by the Superintendent within five (5) school days.
3. The reasons for non-renewal of the first two limited contracts given pursuant to this section shall not be challenged by utilization of the grievance procedure, provided that nothing in this subsection shall be construed as a waiver to bring any cause of action in any court of competent jurisdiction he/she might have against the Board, Board members, or any employee of the Board of Education.
4. Such teacher shall have the right to be represented by a person of his/her choice at the conference set forth in paragraph 2.
5. This Article shall not apply to the non-renewal of Supplemental Contracts.
6. The parties acknowledge that the foregoing non-renewal of limited contracts provisions are intended to supersede and take the place of all evaluation and nonrenewal procedures contained in the Ohio revised Code, Sections 3319.11 and 3319.111.

ARTICLE XII SALARY AND BENEFITS

1. Before the salary of a teacher is determined under the provisions of this schedule, he/she shall file a certificate of transcript from the training institution certifying the number of semester or quarter hours earned, and this certificate must be filed with the Superintendent by September 15 of the school year beginning. No teacher shall be eligible to receive remuneration for teaching until he/she has filed a valid Ohio Teaching Certificate or License with the Superintendent of Schools.
2. A year of credit for teaching service must consist of at least 120 days in one continuous school year. Credit will not be given for apprenticeship or training to be used as part of one's educational requirements for receiving a degree or certification.
3. Teachers' contract salaries will be issued in twenty-six (26) pay periods.
4. Credits must be earned in those institutions approved by the Board of Education, and the State Board of Regents in order to be considered for placement on the salary schedule. All steps indicated above the Bachelor's Degree Level signify that the teacher has earned that number of additional credits after receiving the Bachelor's Degree.
5. Each teacher who has completed training which would qualify that teacher for a higher salary bracket pursuant to RC 3317.14 shall file by the fifteenth (15th) day of September with the Treasurer of the Board of Education satisfactory evidence of the completion of such additional training, in order to be placed at that salary level for the ensuing school year. Any

teacher not meeting the September 15 deadline who subsequently earns sufficient credits to advance on the salary scale may submit satisfactory evidence of completion to the Treasurer by January 15 in order to move to a higher salary bracket for the second semester of the school year.

6. The regulations in this document regarding placement on the salary schedule for credits earned shall not be retroactive.

C. Rehired Retirees

Beginning the 2016-2017 contract year any member who retired under STRS and subsequently is employed in the district may be hired at a rate of pay different from his or her years of service as specified in the salary index contained in this agreement. Members will be paid at their academic training level at no less than three (3) years' experience and employed on a yearly basis. If employed in consecutive years, they will remain at Step 3. All contracts will expire at the conclusion of the last contracted teacher day, unless the Board acts to renew the contract on or before April 30. All rehired retirees shall be evaluated according to ORC 3319.111, 3319.112, and 3319.114.

This provision and such salary and individual contract provisions with a member expressly supersede ORC Section 3317.13 and all other applicable laws.

While employed by the district subsequent to retirement, such member who is interested in obtaining health care benefits must opt for the health care benefits offered by the Logan-Hocking School District or an outside source. Reemployed retirees must pay 15% of the total premium of such insurance. However, the Board will reimburse retired teachers choosing an outside source \$1,500 per year. Additional benefits the retired member is eligible for include the Section 125 Plan, Life Insurance, and dental with the agreed upon premium sharing.

Such retired member is not eligible to receive a severance payment upon leaving employment with the district, nor will he or she accrue seniority.

This provision of the agreement and such salary and contract will not be grievable under the grievance procedures on this agreement nor through any claim or action filed before the State Employment Relations Board (SERB) or any court of law.

Rehired retirees shall not exceed five percent (5%) of the bargaining unit.

D. Supplementals

Certificated employees of the Board shall be compensated for supplemental duties according to the attached supplemental salary schedule, which is based on three tiers. All tiers are based on a 0 years experience on the salary scale. 0-4 years – BA, 5 years – BA + 150, and 10+ years – MA. If 0.5 years of experience, do not round up to 1.0.

If moving to a position of higher responsibility within the same area (i.e. Assistant Varsity to Varsity), bargaining unit members will be given credit of 0.5 for each year in the lower position. If moving to a lower position (i.e. Varsity to Assistant Varsity), all credit in the higher position will be honored. A move from one area to another (i.e. Football to Basketball) will start at the first step in the supplemental schedule.

E. Insurance

Medical

1. The insurance carrier is to be designated by the Board. The Board shall offer employees their choice of two (2) health insurance plans: A Preferred Provider Organization Plan (PPO) and a High Deductible Health Plan (HDHP) with a Health Savings Account (HSA). Employees shall have a choice of plans and can enroll in either plan each year in January by notifying the Board by November 1 of each year of their intent to change plans.
2. All members will have an opportunity to review the health insurance plan options with a consultant from the health insurance consortium and/or school district Treasurer's office of each calendar year during opening day activities. Additionally, opportunities for monthly health insurance consultations will be made available.
3. The Board shall pay ninety percent (90%) per enrolled employee for health insurance premiums for anyone hired prior to September 27, 2011 and eighty-five percent (85%) for anyone hired thereafter. The following charts summarize the plan options and health insurance premiums during the duration of this contract.

Deductible and Maximum Out of Pocket amounts for High Deductible Health Plans (HDHPs) are subject to change annually per IRS regulations. Members will be notified of these changes as well as any premium or coverage changes for the PPO and/or the HDHP prior to their occurrence.

4. Employees taking insurance and enrolling in the PPO shall also have an IRS Section 125 Flexible Spending Account (FSA) established by the Board on an annual basis—October 1 through September 30. The FSA shall be in the amount of \$250 for employees who elect single coverage and \$500 for employees who elect family coverage. The FSA may be used for reimbursement of medical expenses which are not covered or reimbursed for the employee. Reimbursements shall be conditioned upon presentation of necessary documentation, e.g., receipts, of the expense. Employees shall have the option to elect one hundred percent (100%) of the FSA to be dedicated to pay for the employee's share of the health insurance premium. The Board shall comply with all IRS regulations regarding flexible spending accounts and insurance. The Board will fund FSA contributions on a monthly basis.
5. For those members choosing the High Deductible Health Plan (HDHP), the Board will contribute annually towards a Health Saving Account (HSA) in the amount of four thousand and fifty dollars (\$4,050) for a family plan and two thousand and twenty-five dollars (\$2,025) for a single plan. For calendar year 2019 the funding will occur on the first business day in January. For calendar year 2020 and subsequent years the funding will occur seventy-five percent (75%) on the first business day in January and twenty-five percent (25%) on the first business day in July.
6. Additionally, five hundred dollars (\$500) shall be contributed to the employee's HSA following written verification by a primary care provider of completion of a routine physical for the employee if on a single plan or a routine physical for both the employee and spouse if on a family plan. The five hundred dollars (\$500) cannot be partially paid and two (2) physicals must be completed for any employee enrolled in a family plan to be eligible for the five hundred dollars (\$500) additional contribution. Contributions will be based on wellness visits each calendar year, and no employee may receive more than one contribution in any calendar year. Contributions will be paid to qualifying employees' HSA accounts in June (documentation must be submitted no later than June 15) or in December (documentation must be submitted no later than December 15). Contributions for wellness visits occurring after or verified after December 15 of any calendar year will be paid in June of the following calendar year. Exceptions to these dates may be approved at the sole discretion of the Superintendent or his/her designee.
7. Coverage for new members will be effective the first day of the month following their first day of employment.
8. The Board recognizes that a collaborative effort among all Logan-Hocking School employees is essential. Therefore, a Labor-Management Health Insurance Committee will be formed in order to discuss, evaluate and recommend options for employee health insurance. This committee will meet at least annually. In the event that health insurance premiums increase by more than ten percent (10%) in any one (1) year, the committee shall meet to review the data and to consider cost-containment alternatives.
9. Members of the same household with both spouses employed by the Board shall only be covered by the most cost-effective plan for the District.

Internal Revenue Service Section 125 Plan

1. Effective September 1, 1997, the Board shall apply that part of the teacher's salary which is the teacher's participation in the monthly health benefits premium so as to tax shelter that participation. Voluntary employee payroll deductions for health insurance premiums will also be tax-sheltered. The Board shall comply with IRS and Federal law regulations in doing so.
2. A Section 125 Flexible Spending Account (FSA) shall be available to each eligible employee. Participation in such account shall be at the option of each individual employee.

Part-time Unit Members

1. Unit members working on a part-time basis are entitled to all benefits and provisions under this negotiated agreement with the stipulation that said benefits shall be earned and utilized on a proportionate basis as the hours worked (see below).

Individual's Contract Salary Salary (183 days)

2. Any part-time employee who is required to pay a portion of an insurance premium must do so through payroll deductions. Deductions shall be made for Board-approved insurance plans only.
3. Anyone assuming a part-time position will have benefits computed according to the above formula.

F. Reimbursement for Traveling Teachers

1. Teachers who have regular assignments in more than one building or by the nature of their assignments must travel during their regular day shall be reimbursed at the IRS approved rate per mile; mileage will be measured from the first school assigned for the day to the final school for the day. Teachers who are required to pick up necessary educational materials from a school prior to reporting to a teaching assignment at a different school will be reimbursed for mileage beginning with the school at which the materials are stored.

2. Teachers will submit travel vouchers on the final regularly scheduled school day of each month. In the event that a teacher is not in attendance on said day, he/she will submit said voucher on the first day he/she is back in attendance.
3. Payment of Board approved reimbursement for traveling teachers will be made as follows:
 - a. Teachers entitled to reimbursement for approved travel expenses totaling \$25.00 or more will be paid no later than the fifteenth of the month following the submission of the voucher.

Employees retiring at any other time will receive a maximum benefit as described below.
 - b. Certificated employees with thirty (30) or more years of service with the Logan-Hocking Local School District shall be paid one-fourth (1/4) of their accumulated unused sick leave with a maximum based upon one-fourth (1/4) of 320 days (80 days maximum).
 - c. Certificated employees with twenty (20) or more years of service with the Logan-Hocking Local School District, shall be paid one-fourth (1/4) of their accumulated unused sick leave with a maximum based upon one-fourth (1/4) of 240 days (60 days maximum).

2. Payments under this provision shall be based on the certificated employee's per diem rate at the time of retirement.
3. In order to qualify for retirement pay under this section, written evidence of the employee's approval for retirement benefits from STRS must be received by the Superintendent within 120 days from the date of separation of service with the Logan-Hocking Local Schools. The payment of retirement pay shall be made only once to any one employee and shall result in the cancellation of all accumulated sick leave.
4. Employees who notify the Board of Education of their retirement by February 1 of the year in which they plan to retire, and who work through the end of the school year, shall receive a one-time payment of \$1,000.00. Notification of retirement is irrevocable except at the discretion of the Board.
5. In the event of the death of an employee who would have qualified for severance, payment shall be made to the employee's estate or heirs.

H. STRS Pick-up Through Salary Reductions

1. The Board of Education agrees to deduct from the gross earnings of each member of the bargaining unit that amount determined to be the contribution to the State Teachers Retirement System. Amounts so paid will be designated as employee-paid retirement contributions and will be excluded from the employee's gross earnings for Federal and State income reporting and withholding tax purposes so long as such reporting and exclusion are in compliance with Federal, State and local tax law and regulations.
2. The Association and Board agree that any salary reduction necessary to comply with this provision is a proper, lawful and uniform salary reduction.

The certificated employee shall apply for Workers' Compensation. 1. Teachers shall accumulate sick leave at the rate of one and one-quarter (1.25) days for each completed month of service. 3. In the case of death, this definition shall be expanded to include the "Immediate Family" of the spouse. One day of sick leave may be used in the case of death of a person not included in the definition of "Immediate Family". Additional days may be granted at the discretion of the Superintendent.

If medical attention is required, the employee's statement shall list the name and address of the attending physician and the dates when consulted. Falsification of a statement may be grounds for suspension or termination of employment under sections 3319.081 and 3319.16 of the ORC.

Sick Leave Transfer – When a bargaining unit member has exhausted all of his/her accumulated sick leave and additional days are still needed, then he/she may request through the Association that the additional days be transferred from other bargaining unit members' accumulated sick leave. The Association shall establish an internal policy to administer such a transfer. The Association shall notify, in writing, the Treasurer of the Board; the number of days to be deducted, from whom, and the person receiving the transferred days. Included in the notice shall be a signed statement by the bargaining unit member involved authorizing the Board Treasurer to transfer the days. Donation shall be limited to five (5) days per bargaining unit member per school year. Sick leave transferred to another member shall be counted as a day against sick leave in paragraph G. Sick leave days transferred then returned prior to the end of the current fiscal year will not be counted as a day against sick leave in paragraph G. Any teacher who has received sick leave transfer days under this provision agrees to be available for employment in the Logan-Hocking Local School District for a period of two years thereafter. In the event the teacher resigns his or her employment prior to that time, the Board shall deduct the teacher's per diem for the number of days transferred. Leaving the district for disability and/or any other reason directly related to the illness shall be the only exceptions.

2. Eligibility - An employee must have worked 1250 hours with the Logan-Hocking Local School District in the 12-month period preceding leave to be eligible for benefits under the Act.
3. Leaves granted under the Act shall be granted upon request at the expiration of those granted under the Family and Medical Leave Act. 4. The year begins the date a leave is started.

During months school is in session, such vacancies will be posted in each building; during the summer months such vacancies will be posted to the district web-site and on the information voice mailbox of the Board Office phone system. Vacancy notices will be provided to the LEA President. Ten (10) days prior to the first (1st) day of the teachers' school year, the Superintendent has the option to fill positions at his/her discretion.
2. Teachers who desire a change in grade and/or subject assignment or who desire to transfer to another building may file a written statement of such desire with the Superintendent not later than five (5) working days after posting. In cases of urgent necessity, the Superintendent may fill a vacancy within the five (5) day period.
3. Mid-year vacancies shall be filled by bid of bargaining unit members. If the selected applicant cannot be logistically placed at mid-year, then the applicant shall assume said position at the beginning of the next year. In the event the mid-year vacancies must be filled by interim personnel, such person shall relinquish the position to the selected

applicant at the beginning of the next school year. A displaced teacher under this provision shall receive all benefits of Article XVI (RIF).

4. In acting on requests for voluntary reassignment and/or transfer, the Board shall only consider the following criteria:
 - a. Proper certification and licensure as required by the Ohio Department of Education. (Any and all certifications and licensures that the Ohio Department of Education deems as proper certification and licensure for a position shall be considered equally.)
 - b. Teacher experience at grade level and/or subject area.
 - c. District seniority. District seniority shall be defined as continuous, uninterrupted employment in the Bargaining Unit.
 - d. Where the foregoing factors are substantially equal, the determining factor shall be based on the Superintendent's discretion following an interview of all applicants.

Involuntary Reassignments

1. Members of the bargaining unit who are involuntarily reassigned to a different building or teaching position (elementary – grade level and/or area of certification; middle school – content area and/or grade level; high school – department) will be notified of the reassignment in writing by certified mail. The written notification shall include reasons for transfer. If the reason for the reassignment is due to unsatisfactory performance, it must have been referenced and noted in the teacher's most recent evaluation. Reasons for reassignment shall not be based solely on student test scores. Such members may request a meeting with the Superintendent to discuss the transfer and may have an Association Representative present at such meeting.
2. Bargaining unit members being transferred as a result of demographic changes shall be based upon seniority.
 - a. For the purpose of this Article, seniority shall be defined as continuous, uninterrupted employment in the bargaining unit.
 - b. The bargaining unit member having the least seniority shall be displaced unless a more senior teacher in the same grade level (elementary) or subject area (middle and high school) volunteers to be displaced.
 - c. The displaced teacher shall have the right to either take the position of the teacher with least district-wide seniority for which he or she is qualified or bid on all other posted vacancies.

4. Extended Service shall be defined as, for purposes of this Article, 2/183 of regular contract salary.

Promotions

1. Promotional positions are defined as positions paying a salary differential and/or positions on the administrative /supervisory level, including but not limited to positions such as assistant principal, principal, coordinator, project director, but excluding the positions of Superintendent and Assistant Superintendent.

3. Teachers who desire to apply for such positions shall submit their applications, in writing, to the Superintendent not later than five (5) days after posting.

B. Reduction in Staff

1. The employment contracts of teachers may be suspended, pursuant to section 3319.17, ORC, when the position to which such teachers are assigned or eliminated as a result of any of the following:

 - b. A reasonable reduction in pupil enrollment;
 - c. The suspension of schools;

2. If the Board is contemplating the lay-off (suspension of employment contracts) of any teachers, it shall so notify the Association at least thirty (30) days before the proposed effective date of the lay-off, except in cases of emergency. Such notice shall be in writing and shall include the specific positions to be affected, the proposed time schedule, and the reasons for the proposed action. Within fifteen (15) days after receiving the aforesaid notice, the Board shall, if requested to do so, grant the Association the opportunity to appear before the Board to present written and oral arguments concerning the reduction in force. If the contemplated lay-off is as a result of insufficient funds available to the Board, the Board shall, in connection with said appearance, make available to the Association all relevant data at Board expense.
3. Every teacher's name shall appear in order of seniority on a list for his or her area(s) of certification. Teachers with continuing contracts shall be deemed senior to all teachers on limited contracts.

Teachers rated “Developing,” “Skilled,” or “Accomplished” through the evaluation procedure shall be considered “Effective” and “comparable” to the rest of the bargaining unit for the purpose of reduction in force.

Teachers rated “Ineffective” through the evaluation procedure shall no longer be considered “comparable” to the rest of the bargaining unit for the purpose of reduction in force.

Selection of teachers to have their contract suspended for the purpose of a reduction in force shall be based on “comparable” evaluations in the following order:

- a) Ineffective by seniority
- b) Effective by seniority

Recall of teachers affected by the reduction in force shall be in the reverse order of the layoff.

4. Any teacher who is laid off shall be notified, in writing, at least thirty (30) days before the effective date of the lay-off, except in cases of emergency. Such notice shall include the proposed time schedule and the reasons for the proposed action.
5. For purposes of this Article, seniority shall be computed from a teacher's date of continuous, uninterrupted employment in the bargaining unit. Seniority shall continue to accrue during all leaves of absence including disability retirement for up to five (5) years. When seniority is equal, upon consultation with the Association, the teacher to be laid off shall be determined by the Superintendent.
6. Upon the giving of notice as provided in section 2 of this article, the Superintendent shall cause a list to be posted in each school building, showing the seniority of each teacher employed by the Board and shall promptly cause the posting of any changes in said list. A copy of such list and all changes thereto shall be given to the President of the Association and/or his/her designated representative.
7. A teacher who is laid off shall remain on the recall list for 24 months after the effective date of his/her lay-off unless he/she:

 - d. fails to report for work in a position that he/she has accepted within ten days after receipt of the notice of recall by registered or certified mail, unless such employee is sick or injured. If a teacher has secured temporary employment elsewhere, he/she will be allowed a reasonable amount of additional time before being required to report to work.
8. When there is a vacancy in a bargaining unit position, that teacher with the most seniority among those teachers laid off and certificated for the position shall be recalled by the Board at the same seniority, level of salary and fringe benefits as he or she would have received if the lay-off had not taken place; provided, however, that such teacher shall not be granted service credit, for salary purposes, for such time such teacher's contract was suspended. No new teachers may be hired by the Board for any position as long as there is an eligible teacher certificated for the position on the recall list as provided in Sections 7, 8 and 9 of this article.

9. Notice of recall shall be given in writing and sent by certified mail to the last address given to the Board by the teacher. A copy of the notice of recall will be given to the Association. If a teacher fails to respond within ten days after receipt of the above notice of recall, he/she will be deemed to have refused the position offered.

C. Sub-contracting

Staff members are to use caution and arrive as close to their start time as possible. Each building will have an alternative class schedule for remote learning on these days so that teaching and learning can continue.
 - ii. In the event Hocking County is on a Level Two or Three, staff members will utilize one of their emergency lesson plans developed at the beginning of the year. Lesson plans must be uploaded to their Google Classroom. Staff members who do not have classroom assignments will keep a work log documenting time spent making up the day.

Each in-service within the District, excluding any professional development days at the beginning of the year, shall provide for a minimum of two (2) hours of unencumbered time to allow teachers to work in their classrooms to complete tasks at their own discretion. This requirement shall be waived only for District in-services that offer flexible sessions.

F. Non-Teaching Duties

Elementary bargaining unit members shall not be required to collect lunch money or submit lunch counts. Principals will make efforts to equalize all other non-teaching duties within each building.

G. Use of Special Teacher's Time - Elementary

1. The elementary teacher will not be scheduled to substitute for any other regular classroom teachers in the building when his/her class is being instructed by a special teacher.
2. The following areas are suggested as examples, not limits, for the use of professional planning time. Planning time may entail program planning with the principal, guidance counselor, central office staff; parent conference; clerical work; or research when a special teacher is instructing the regular teacher's class.

H. Teaching Assignment During Planning Period

1. The Board of Education shall strive to provide equitable scheduled conference/planning time throughout the district, exclusive of lunch or travel time. In the absence of special area teachers, e.g. elementary music and physical education, every effort will be made to obtain a substitute. All members shall have a minimum of two hundred (200) minutes per week for planning and preparation free of student responsibility. Planning time shall be in blocks of at least twenty (20) minutes and there shall be at least one (1) planning period per day. Elementary teachers will have a block of 30 minutes daily planning. This is time exclusive of the duty-free lunch or travel time and will be within the seven (7) hour school day.
2. Any member who is assigned the responsibility of another class during his/her planning time shall be reimbursed for the time spent at the per diem rate unless that member volunteers to do this to help another teacher. Teachers required to supervise extra students due to a lack of substitute teacher availability will be reimbursed according to Section B of this article.
3. A teacher may be required by a building principal and /or other administrators in charge of the building to waive his/her planning period to assume responsibilities of teaching a class in lieu of a substitute teacher. The teacher will be responsible for submitting a time sheet as prescribed by the Board of Education at the end of each day to the building principal noting the periods taught. Teachers will be paid pro-rata at the hourly rate determined as follows:

$$\frac{\text{Teacher Salary}}{\text{Teacher Calendar Days}} = \frac{\text{Daily Rate}}{\text{Seven (7)}} = \text{Hourly Rate}$$

I. Protection of Teachers, Students and Property

1. It is primarily the responsibility of the classroom teacher to maintain the discipline of students assigned to each teacher's class. Every reasonable effort shall be made by the teacher to administer discipline and maintain control of students without the intervention of the administration. Problems of student discipline beyond the ability of the teacher shall be referred to the principal after consultation with the principal, except in those extraordinary circumstances warranting prompt and immediate administrative intervention.
2. Pursuant to Section 3319.41, ORC, physical force may be used by a teacher to protect himself/herself or another teacher and/or student from possible injury, or in an extraordinary case of breach of discipline, to restrain a disruptive pupil, provided the force used is reasonable under the circumstances. Teachers will immediately report all such instances, as well as any cases of assault upon themselves in connection with their employment, to their principal or immediate supervisor in writing, giving in detail the circumstances thereof.

3. This report will be forwarded to the Superintendent. The Superintendent may, in his/her discretion, transmit such report to the Board. The Board and the Superintendent will not interfere with the teacher's right to seek legal redress against any person inflicting injury upon such teacher or destroying such teacher's personal property.
4. Although it is primarily the responsibility of the classroom teacher to maintain the classroom discipline, it is also the responsibility of the administration to establish and consistently enforce policies for the classroom teachers to follow. Therefore, the Board of Education will review and amend its progressive discipline policies for students at all levels. The Board shall then make available to students, teachers and parents a procedure for the discipline, suspension and expulsion of students.
5. A teacher may exclude a pupil from one class period upon the terms and conditions as set forth in 3313.66 of the ORC.
6. Recognizing that parental and community involvement is important to a child's education, it is nevertheless vital to the operation of the school that such involvement be appropriate, consistent, and orderly. To that end, the administration will establish specific written guidelines and enforce these standards of behavior for parents, volunteers and other guests within the school building. These policies will promote a quality educational program while allowing reasonable access to the schools.
7. In the event that an employee suspects child abuse, said employee shall first contact the local enforcement agency or children services agency about the suspected abuse and second, shall tell the principal that he/she has taken this action. The law clearly imposes this mandatory, individual duty upon all school officers and employees.

J. Personnel Files

1. The Board shall comply with the provisions of the Chapter 1347 of the ORC in procedures regulating the keeping and maintaining of personnel files.
2. There shall be established and maintained one (1) official file on all members. This file will be maintained in the Superintendent's Office and will be locked after office hours.
3. The bargaining unit member shall have access to his/her personnel file and shall be given a copy of each document placed therein.
4. The member will sign any document placed in his or her personnel file. The signature will not reflect agreement with said document.
5. If and when a member and the Superintendent or his/her Designee agree that certain material in said member's official file is unwarranted, such material shall be removed from the file or corrected.
6. Anonymous letters or materials shall not be placed in a member's file nor shall they be made a matter of record.

K. Providing for Students' Special Needs

1. Any teacher who has a child assigned that cannot take care of his/her own personal bodily needs or must be physically lifted for any reason will not be required to assist that student except in an emergency situation. If a teacher voluntarily agrees to perform any such assistance, then he/she shall be considered to be acting in accordance with Board Policy.
2. Except in emergency situations, no teacher will be required to administer any medicine(s) or perform any medical procedure(s) for student(s). If teachers voluntarily agree to administer any medicine(s), they shall be considered to be acting in accordance with Board Policy.
3. All teachers involved with the education of a handicapped student shall be included in the IEP Conference for that child. Unless the teacher agrees otherwise, all such participation shall be on school time with release time for the affected teacher(s).
4. Special education teachers and classroom teachers shall be provided time, as needed, during the school day, to jointly meet to plan the instructional needs of the included students. At least two full days of release time shall be granted so that special education teachers may work on IEP's, inclusion, or team-teaching needs. Additionally, clerical support will be provided in coordination with building administrators and/or Coordinator of Special Services for special education teachers to assist them in routine paper work, i.e., notifying parents and other teachers of periodic reviews.
5. Current Standards of Ohio Department of Education will be followed.

L. Complaints Against and Discipline of the Professional Staff

Complaints Against the Professional Staff

Action concerning a complaint by a member of the community other than a student shall be initiated by the following procedure:

1. If requested by the complainant or teacher, a meeting involving the teacher, the principal and the complainant shall be arranged at a mutually convenient time within five (5) working days unless mutually extended to discuss the complaint.
2. If the complaint is unresolved, it may be submitted to the Superintendent.
3. If such conferences do not lead to understanding and resolution of the problems involved, the complainant may pursue further action by submitting in writing to the Board of Education a complaint against a teacher. The Superintendent shall give a copy of such complaint to the teacher.
4. The Board shall take action on such complaint at its next scheduled regular or special meeting which occurs no less than fifteen (15) days from its receipt of such written complaint.

5. The teacher may be represented at any step of this procedure by a representative of his/her choosing. Conferences regarding such complaint shall be private.

Discipline of Professional Staff

1. Disciplinary action of a teacher by a school administrator shall mean written and/or oral reprimand.
2. Discussion of a written reprimand with the responsible administrator shall be in the presence of an Association representative upon the request of the teacher.
3. If the employee is unable to secure representation for a disciplinary meeting scheduled for the same day, such meeting will not take place until the employee is given sufficient time to secure representation.
4. Teachers shall not be verbally reprimanded in the presence of students, parents, other teachers, employees or members of the community unless such verbal reprimand is necessary to maintain the well-being of the school, (including the orderly conduct of school programs), the students, faculty and/or employees.

The district's EMIS Coordinator will sit on the LPDC, assist the LPDC Chairperson and not have a vote on the LPDC. All LPDC committee members will be compensated for time spent at the rate of \$25.00 per hour. Storage files and secretarial services shall be provided by the Board of Education.

5. A committee comprised of specialists, regular classroom teachers, and administrators shall be formed to discuss equitable distribution of specials and specialists' schedules. The committee will address these issues prior to and during the transition to the new school buildings and will meet on an as-needed basis afterwards.
6. Master Teacher Committee
 - a. A Master Teacher Committee shall be established for the purpose of designating teachers in the building/district as Master Teachers in accordance with the recommendations of the Ohio Department of Education.

7. Standing Joint Committee for Teacher Evaluation

N. Tobacco-Free School Buildings

All school buildings will be smokeless and tobacco-free when required by State or Federal Law.

O. Audio and Video Usage

Audio and video devices within the school district will not be utilized to monitor members' everyday work activities. Subject to the foregoing, the cameras, however, can be utilized to provide evidence in disciplinary proceedings that will confirm or rebut incidents or problems that involve misconduct.

P. College Credit Plus/Advanced Placement

1. The opportunity to teach any course offered by the district through College Credit Plus (CCP) and Advanced Placement shall be offered to all members of the bargaining unit who are qualified to teach the course.
2. No bargaining unit member shall be forced to meet the requirements to teach CCP/AP classes.
3. Any bargaining unit member who teaches a CCP/AP class shall be approved for required in-service days to engage in planning with the cooperating college/university instructor and any other days as required by the higher learning institution. The bargaining unit member shall be paid his/her per diem rate of pay for the in-service day, plus mileage at the IRS rate and any other expenses (hotel, meals, etc.) at the district rate.
4. Any required CCP performance assessment shall not be used as part of the OTEs or shall it be included in the bargaining unit member's personnel file unless requested by the member.
5. If the Board deems it necessary to offer a CCP class, it may request that a bargaining unit member voluntarily obtain the qualifications needed to teach said course. The Board will cover the cost for the member who voluntarily agrees to obtain the CCP credentials through the tuition reimbursement program.
